**Please briefly (no more than one paragraph for each) respond to the following. Attach additional pages as needed.**

Briefly describe your training and group facilitation experience.

Please describe your experiences in improving or monitoring performance using the Results-Based Accountability approach.

Describe your experiences in collaborative or cross-agency change.

Briefly describe your current job responsibilities and how the Results/Performance Accountability training is relevant to your current position.

How would you explain Results and Performance Accountability concepts to your community members? How can you help organizations and their leaders put these practices into operation?

What unique perspective/benefit/talent could you contribute as part of a cadre of Results/Performance Accountability trainers?
